Sustainability in Derby

- Who we are
 - DerbyWeb.com
 - @derbyks
 - Facebook: [Derby, Kansas City Hall](#)
- Definitions
 - Resource conservation
 - Financial health
 - Trust & confidence

Resource Conservation

- Curbside single-stream recycling & trash
- Rain sensor ordinance
- New buildings
- Water conservation rebates
- Next:
 - Electric vehicle charging station
 - LED street lights

Financial Health

- Long-term financial planning
 - 10-year pavement maintenance
 - 5-year debt plan
- Address tough issues in public
 - Replace short-term funding sources
 - Difficult conversations
 - Land use, zoning, business incentives...

Trust & Confidence

- Derby Dash
- Parks, paths & trees (QoL)
- Extended office hours
- Re-invest in older neighborhoods
- Discuss proper role of government
- Address nagging problems
 - Unimproved streets
 - Stormwater

WHY CHOOSE DERBY?
